

LIQUID
UNIVERSUM

**PRODUCT PORTFOLIO FOR
FOOD SUPPLEMENTS**

VERSION 1.0 | 05.04.2024

WELCOME TO THE LIQUID UNIVERSE!

At our headquarters in Ostfildern near Stuttgart, we develop, produce and distribute various types of food and nutritional supplements, sports nutrition, active ingredient tinctures and more. The services we offer range from pure contract manufacturing to the holistic development of innovative new products as white or private labels. In order to ensure that you as a customer always receive products of the best and most consistent quality, we only use raw materials and primary products from certified suppliers, which are carefully selected by us.

SERVICES

- Fully automatic filling 10–50 ml with inert gas overlay
- Semi-automatic filling up to 1,000 ml
- Filling of all types of powder with induction sealing
- Packaging of capsule products
- Packaging of sales units e.g. Advent calendars, special packaging
- Filling of 66ml squeeze bottles with sleeve

SERVICE & SUPPORT

We understand the importance of quality, regulatory requirements and smooth processes. That's why we support our customers throughout the entire product development cycle:

- Consultancy & conformity testing
- Product development & registration
- Labelling and packaging design- Production and quality control
- Shipping and logistics

Are you new to this sector and would like some advice? Do you have questions about our existing portfolio? Would you like to develop a new product and need support? No problem! Our team is always on hand with help and advice!

FOCUS

CLEAR MIND

FOCUS SPRAY

FLAVOUR: YUZU ICED TEA

INGREDIENTS:

Water, natural flavours, ascorbic acid, zinc gluconate, ginseng root extract, ginkgo extract, acidifier: citric acid, concentrated stevia tea infusion (water, stevia leaves), preservative: potassium sorbate

Average nutrient content per daily serving (1 ml)

Nutrients	Reference amount per daily serving (1 ml)	%NRV*
Vitamin C	40 mg	50
Zinc	5 mg	50
Ginkgo extract	40 mg	**
Ginseng extract	40 mg	**

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

** without NRV

i

Vitamin C contributes to the normal functioning of the nervous system, normal mental function and the reduction of tiredness and fatigue. It also contains ginseng and ginkgo extract.

MEMORY DROPS

FLAVOUR: GINGER

INGREDIENTS:

Water, ginger extract, natural flavouring, turmeric extract, sweetener: sucralose, calcium D-panthothenate, pyridoxine hydrochloride, methylcobalamin, adenosylcobalamin

Average nutrient content per daily serving (1 ml)

Nutrients	Reference amount per daily serving (1 ml)	%NRV*
Panthenic acid	6 mg	100
Vitamin B6	1,4 mg	100
Vitamin B12	2,5 mg	100
Turmeric extract	40 mg	**
Ginger extract	40 mg	**

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

** without NRV

This product contains various selected B vitamins. Vitamins B6 and B12 contribute to the normal functioning of the nervous system and to the reduction of tiredness and fatigue. It also contains ginger and turmeric extract. These extracts have long been recognised as a proven remedy in Asia.

BRAIN AND FOCUS - LIONS MANE

FLAVOUR: PEPPER MINT

INGREDIENTS:

Water, glycerine (E422), xylitol (E967), steviol glycosides (E960a), potassium sorbate (E202), citric acid (E330), xanthan gum (E415), peppermint essential oil (Mentha arvensis), lion's mane extract (Lions Mane extract)

Average nutrient content per daily serving (0,5 ml)

Nutrients	Reference amount per daily serving (0,5 ml)	%NRV*
Vitamin B3	8,0 mg	50
Vitamin B1	0,55 mg	50
Vitamin B12	250 µg	100
Lions Mane extract	250 mg	**
Ashwagandha extract	25 mg	**
L-Theanine	50 mg	**

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

** without NRV

This innovative blend combines high-quality lion's mane extract with carefully selected ingredients such as L-theanine, ashwagandha and a vitamin B complex (B1, B3, B12). This unique formula is designed to boost cognitive function, increase concentration and support mental focus*. The powerful combination of adaptogenic herbs and essential vitamins makes Brain and Focus Lions Mane your ideal companion for clear thinking and mental vitality**.

* Vitamin B6 and vitamin B12 contribute to the reduction of tiredness and fatigue and to the normal functioning of the nervous system and mental function. ** Thiamine contributes to the normal functioning of the nervous system and mental function.

ENERGY

ENERGY

BOOST SPRAY

FLAVOUR: COLA & LEMON

INGREDIENTS:

Water, ascorbic acid, caffeine, guarana extract, acidifier: citric acid, natural flavouring, preservative: potassium sorbate, cyanocobalamin, sweetener: sucralose

Average nutrient content per daily serving (1 ml)

Nutrients	Reference amount per daily serving (1 ml)	%NRV*
Cyanocobalamin	6 µg	100
Vitamin C	80 mg	100
Guarana	1 mg	**
(of which caffeine)	0,1 µg	
Caffeine	32 mg	**

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

** without NRV

i

The key active ingredient in this formulation is caffeine. Caffeine helps you to maintain concentration and mental energy. In addition vitamins B12 and C are used in this formula, which help to reduce tiredness and fatigue. Contribute to the reduction of tiredness and fatigue.

NATURAL ENERGY DROPS

FLAVOUR: YUZU

INGREDIENTS:

Water, ginger extract, natural flavouring, turmeric extract, sweetener: sucralose, calcium D-panthothenate, pyridoxine hydrochloride, methylcobalamin, adenosylcobalamin

Average nutrient content per daily serving (1 ml)

Nutrients	Reference amount per daily serving (1 ml)	%NRV*
Vitamin B12	2,5 µg	100
Vitamin B6	1,4 mg	100
Zinc	5 mg	50
Ginseng root extract	120 mg	**
Ginger extract	60 mg	**

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

** without NRV

The central active ingredient in this formula is ginseng root extract. In addition, vitamins B6 and B12 are used in this formula, which contribute to the reduction of tiredness and fatigue. The vitamins used also contribute to normal energy metabolism. The mineral zinc contributes to the maintenance of normal bones, hair, nails and skin.

HANGOVER SPRAY

FLAVOUR: PEPPER MINT

INGREDIENTS:

Water, sweetener: steviol glycosides, vitamin B3 (nicotinamide), vitamin B1 (thiamine hydrochloride), vitamin B5 (D-calcium pantothenate), vitamin B12 (methylcobalamin), vitamin B2 (sodium riboflavin-5'-phosphate), vitamin B6 (pyridoxine). Hydrochloride), acidity regulator: citric acid, preservative: Potassium sorbate, natural menthol and lemon flavour.

Average nutrient content per daily serving (1 ml)

Nutrients	Reference amount per daily serving (1 ml)	%NRV*
Vitamin B1	6,6 mg	600
Vitamin B2	1,26 mg	90
Vitamin B3	9,54 mg	60
Vitamin B5	6,7 mg	40
Vitamin B6	7 mg	500
Vitamin B12	0,025 mg	1000

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

Party Smart - this spray gives you a boost after a long night of partying. Long-lasting effect, tooth-friendly formulation (without sugar) and in a practical sprayer. No annoying dissolving in water necessary. The vitamins it contains contribute to normal energy metabolism.

WORKOUT

POST WORKOUT - ANTIOXIDANT SPRAY

FLAVOUR: CHERRY

INGREDIENTS:

Water, ascorbic acid, natural flavour, tocopheryl acetate, sodium selenite, acidifier: citric acid, preservative: potassium sorbate, Sweetener: sucralose

Average nutrient content per daily serving (0,8 ml)

Nutrients	Reference amount per daily serving (0,8 ml)	%NRV*
Vitamin C	80 mg	100
Vitamin E	12 mg	100
Selenium	55 µg	100

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

Physical exercise can stimulate the production of free radicals and thus cause oxidative damage. Oxidative damage is linked to the development of cardiac dysfunction, insulin resistance, arteriosclerosis and tissue damage. This formulation contains several antioxidant ingredients, including vitamins E and C and the mineral selenium. Vitamins E and C help to protect cells from oxidative stress.

POST WORKOUT - RECOVERY DROPS

FLAVOUR: GRAPEFRUIT

INGREDIENTS:

Water, calcium chloride-2-hydrate, flavouring, acidifier: citric acid, Sweetener: sucralose, cholecalciferol, folic acid

Average nutrient content per daily serving (1,5 ml)

Nutrients	Reference amount per daily serving (1,5 ml)	%NRV**
Vitamin D	5 µg	100
Folic acid	200 µg	100
Calcium	120 mg	15

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

The central active ingredient in this formula is calcium. Calcium contributes to normal blood clotting, energy metabolism and muscle function. The vitamin D it contains contributes to normal blood calcium levels. In addition, vitamin B9 (folic acid) is used in this formula.

CREATINE

PRODUCT DESCRIPTION:

Discover the powerful support for your muscles with creatine, a fascinating carbon-nitrogen compound! This unique substance is formed in the body with the help of amino acids in the liver and kidneys and plays a crucial role in the energy metabolism of skeletal muscles, especially during short-term muscular exertion.

Experience the natural power source of creatine and support your muscles on their way to peak performance!

Creatine is not only present in the human body, but also in the muscle tissue of cattle, pigs and other animals. Fish and meat contain around 0.5 grams of creatine per 100 grams of food. High-quality cuts of meat with little connective tissue, such as fillet, contain particularly high concentrations of this powerful compound.

OMEGA 3

LIPOSOMAL

INGREDIENTS:

Water, humectant (glycerine), solvent (ethanol), algae oil, emulsifier (lecithin (soya)), flavouring (orange peel oil), antioxidant (alpha-tocopherol)

Average nutrient content per daily serving (0,2 ml)

Nutrients	Reference amount per daily serving (0,2 ml)	%NRV**
Omega 3	11,2 mg	**

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

** without NRV

Omega-3 fatty acids are a group of unsaturated compounds formerly known as vitamin F. Omega-3 fatty acids are produced by certain microalgae and some fish species.

VITAMIN B12 COMPLEX

INGREDIENTS:

Water, steviol glycosides, natural menthol flavour, vitamin B3 (nicotinamide), vitamin B1 (thiamine hydrochloride), vitamin B5 (D-pantothenate, calcium), vitamin B12 (methylcobalamin), vitamin B2 (riboflavin-5-phosphate sodium), vitamin B6 (pyridoxine hydrochloride), potassium sorbate, citric acid, natural lemon flavour.

Average nutrient content per daily serving (0,1 ml)

Nutrients	Reference amount per daily serving (0,1 ml)	%NRV**
Vitamin B1	6,6 mg	600
Vitamin B2	1,26 mg	90
Vitamin B3	9,54 mg	60
Vitamin B5	6,7 mg	40
Vitamin B6	7 mg	500
Vitamin B12	250 µg	10 000

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

Vitamin B12 contributes to the reduction of tiredness and fatigue, to the normal function of the nervous system, to the normal formation of red blood cells and to the normal function of the immune system. The vitamins used also contribute to normal energy metabolism.

MAGNESIUM

GEL

INGREDIENTS:

Magnesium citrate, vegetable glycerine, water, vitamin B6 (pyridoxine hydrochloride), xanthan gum, citric acid.

Average nutrient content per daily serving (3 ml)

Nutrients	Reference amount per daily serving (3 ml)	%NRV**
Magnesium	300 mg	80
Vitamin B6	3 mg	214

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

i

Magnesium is an essential mineral that contributes to normal energy metabolism, the nervous system, normal muscle function and the maintenance of bones. As a cofactor of more than 600 enzymes, magnesium plays an important role in the regulation of a variety of biochemical reactions and cellular functions.

FLAVOUR

DROPS

FLAVOUR: VARIOUS FLAVOURS

INGREDIENTS:

All drops are based on propylene glycol E 1520, sweetener E 955 and flavouring. Occasionally the drops may contain triacetin E1518.

i

With the help of Flavour Drops, you can give your food and drinks their own flavour. For example, you can easily give your water or yoghurt an individual touch with the sugar- and fat-free Flavour Drops without calories.

VITAMIN COMPOUND

COLA

FLAVOUR: COLA

INGREDIENTS:

Water, acidifier: citric acid, caramel sugar syrup, natural flavours, ascorbic acid, sweetener: sucralose, preservative: potassium sorbate, nicotinamide, sweetener: steviol glycosides, L-carnitine, calcium D-panthothenate, pyridoxine hydrochloride, folic acid, D-biotin, cyanocobalamin

Average nutrient content per daily serving (2,5 ml)

Nutrients	Reference amount per daily serving (2,5 ml)	%NRV**
Vitamin C	12 mg	15
Niacin	2,4 mg	15
Pantothenic acid	0,90 mg	15
Folic acid	30 µg	15
Biotin	8 g	16
Vitamin B12	0,38 g	15,2
Vitamin B6	2,1 mg	15
L-carnitine	1,88 mg	**

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

** without NRV

The World Health Organisation (WHO) recommends consuming a maximum of ten percent, and preferably only five percent, of your total daily energy intake in the form of freely available sugar.

The vitamins and biotin it contains contribute to the normal functioning of energy metabolism and the nervous system. Niacin and biotin contribute to the maintenance of normal skin.

VITAMIN COMPOUND

FLAVOUR: VARIOUS FLAVOURS

INGREDIENTS:

Water, acidifier: citric acid, caramel sugar syrup, natural flavours, ascorbic acid, sweetener: sucralose, preservative: potassium sorbate, nicotinamide, sweetener: steviol glycosides, L-carnitine, calcium D-panthothenate, pyridoxine hydrochloride, folic acid, D-biotin, cyanocobalamin

Average nutrient content per daily serving (2,5 ml)

Nutrients	Reference amount per daily serving (2,5 ml)	%NRV**
Vitamin C	12 mg	15
Niacin	2,4 mg	15
Pantothenic acid	0,90 mg	15
Folic acid	30 µg	15
Biotin	8 g	16
Vitamin B12	0,38 g	15,2
Vitamin B6	2,1 mg	15
L-carnitine	1,88 mg	**

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

** without NRV

The World Health Organisation (WHO) recommends consuming a maximum of ten percent, and preferably only five percent, of your total daily energy intake in the form of freely available sugar.

The vitamins and biotin it contains contribute to the normal functioning of energy metabolism and the nervous system. Niacin and biotin contribute to the maintenance of normal skin.

IRON

INGREDIENTS:

Water, firming agent (glycerol), emulsifier (lecithins (sunflower)), ferrous sulphate, antioxidant (L-ascorbic acid), stabiliser (sucrose ester of fatty acids), vitamin E (DL-alpha-tocopheryl acetate), sweetener (steviol glycosides)

Average nutrient content per daily serving (0,4 ml)

Nutrients	Reference amount per daily serving (0,4 ml)	%NRV**
Iron	4 mg	29

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

Iron is an essential trace element that plays a decisive role in numerous vital functions in the human body. As an integral component of haemoglobin, iron contributes to normal oxygen transport in the blood. It also contributes to normal energy metabolism and normal functioning of the immune system.

ZINC

INGREDIENTS:

Steviol glycosides, water, zinc acetate, vitamin B5 (D-pantothenate, calcium), natural menthol flavour, natural mint flavour, citric acid, potassium sorbate.

Average nutrient content per daily serving (0,8 ml)

Nutrients	Reference amount per daily serving (0,8 ml)	%NRV**
Zink	25 mg	250

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

Zinc is a vital trace element that plays a key role in numerous enzymatic reactions in the human body. As a component of many enzymes, zinc contributes to normal acid-base metabolism and normal carbohydrate metabolism. Zinc also contributes to normal fertility and normal reproduction. Zinc contributes to the maintenance of normal bones, hair, nails and skin.

HEALTH

HEART HEALTH

SPRAY

FLAVOUR: GUAVA-CHERRY

INGREDIENTS:

Water, natural flavouring, coenzyme Q10, choline, rose extract, thiamine, sweetener: sucralose

Average nutrient content per daily serving (0,8 ml)

Nutrients	Reference amount per daily serving (0,8 ml)	%NRV**
Thiamine	1,1 mg	100
CholinE	82,5 mg	**
Coenzym Q10	10 mg	**
Rose extract	30 mg	**

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

** without NRV

i

The central active ingredient in this formulation is choline. Choline contributes to normal homocysteine metabolism and normal fat metabolism. In addition, thiamine contributes to normal heart function.

BLOOD HEALTH DROPS

FLAVOUR: BLACK-TEA-VANILLA

INGREDIENTS:

Water, chlorophyll, natural flavouring, acidifier: citric acid, ginkgo extract, preservative: potassium sorbate, pyridoxine hydrochloride, sweetener: steviol glycosides, folic acid, cyanocobalamin

Average nutrient content per daily serving (1,5 ml)

Nutrients	Reference amount per daily serving (1,5 ml)	%NRV**
Vitamin B6	800µg	100
Vitamin B12	2,5µg	100
Vitamin B9	200µg	100
Chlorophyll	200 mg	**
Ginkgo extract	5mg	**

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

** without NRV

The central active ingredient in this formula is chlorophyll. The vitamins B6 and B12 it contains help to reduce tiredness and fatigue. The vitamins used also contribute to normal energy metabolism.

GASTROINTESTINAL DROPS

FLAVOUR: YUZU-LIME

INHALTSSTOFFE:

Water, calcium chloride-2-hydrate, acidifier: citric acid, natural flavours, Q10 (modified starch, coenzyme Q10, preservative: potassium sorbate, acidifier: malic acid), concentrated stevia infusion (water, stevia leaves), choline bitartrate, valerian extract, lemon balm leaf extract, preservative: potassium sorbate, thiamine

Average nutrient content per daily serving (2 ml)

Nutrients	Reference amount per daily serving (2 ml)	%NRV**
Thiamine	1,1 mg	29
Calcium	120 mg	15
Cholin bitrate	100 mg	**
Lemon balm extract	25 mg	**
Q10	10 mg	**

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

** without NRV

Thiamine contributes to normal mental function and normal energy metabolism. Thanks to the additional active ingredients they contain, Gastrointestinal Drops are perfect for complaints in your gastrointestinal tract.

MUCOS MEMBRANES +

FLAVOUR: BLACK-TEA-VANILLA

INGREDIENTS:

Water, ginger extract, natural flavouring, turmeric extract, sweetener: sucralose, calcium D-panthothenate, pyridoxine hydrochloride, methylcobalamin, adenosylcobalamin

Average nutrient content per daily serving (1 ml)

Nutrients	Reference amount per daily serving (1 ml)	%NRV**
Vitamin A	800 mg	100
Riboflavin	1,4 mg	100
Niacin	16 mg	100
Biotin	50 µg	100
Pepper extract	5 mg	**
Ginger extract	5 mg	**

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

** without NRV

Riboflavin (vitamin B2) contributes to normal energy metabolism and normal function of the nervous system. Biotin contributes to the normal metabolism of macronutrients. Biotin also contributes to the maintenance of normal skin, mucous membranes and hair.

GRAPEFRUIT SEED EXTRACT

FLAVOUR: GRAPEFRUIT

INGREDIENTS:

Water, grapefruit extract, German bee honey and vitamin C

Average nutrient content per daily serving (1 ml)

Nutrients	Reference amount per daily serving (1 ml)	%NRV**
Vitamin C	30 mg	93
Bioflavonoids	75 mg	**

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

** without NRV

Grapefruit seed extract enjoys great popularity in alternative medicine. Grapefruit extract is used for a variety of different diseases. It acts as a natural antibiotic which, unlike a synthetic drug, does not harm the detoxification organs or the gastrointestinal tract.

VITAMIN D3/K2

MCT OIL

INGREDIENTS:

Medium-chain triglycerides (MCT); cholecalciferol (vitamin D3), menaquinone-7-all-trans (vitamin K2)

Average nutrient content per daily serving (1 ml)

Nutrients	Reference amount per daily serving (1 ml)	%NRV**
Vitamin D3	25 µg	500
Vitamin K2	20 µg	27

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

** without NRV

Vitamin D3 and K2 in absolute premium quality are the perfect duo for your bones and immune system. One drop a day is enough to easily cover your need for these vital substances and support your day.

VITAMIN D3/K2

1.000 IU

LIPOSOMAL

INGREDIENTS:

Water, humectant (glycerol), solvent (ethanol), sunflower oil, emulsifier (lecithin (soya)), flavouring (orange peel oil), vitamin K2 in MCT oil, vitamin D3 in MCT oil, antioxidant (alpha-tocopherol).

Average nutrient content per daily serving (0,5 ml)

Nutrients	Reference amount per daily serving (0,5 ml)	%NRV**
Vitamin D3	0,18 µg	500
Vitamin K2	0,18 µg	33

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

** without NRV

Vitamin D3 and K2 in absolute premium quality are the perfect duo for your bones and your immune system. One drop a day is enough to easily cover your need for these vital substances and support your day. Liposomes can help to improve the absorption of nutrients or active ingredients. Encapsulation in liposomes can increase the effectiveness of food supplements or medication.

VITAMIN C

GEL

INGREDIENTS:

Water, vitamin C (sodium L-ascorbate & L-ascorbic acid), sunflower lecithin, glycerine, steviol glycosides, xanthan gum, potassium sorbate, vitamin E (DL-alpha-tocopherol, antioxidant), natural lemon flavouring.

Average nutrient content per daily serving (1 ml)

Nutrients	Reference amount per daily serving (1 ml)	%NRV**
Vitamin C	1000 mg	1250

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

i Vitamin C, known for its role as a powerful antioxidant, contributes to normal collagen formation for the normal function of blood vessels, bones and cartilage. Vitamin C also increases the absorption of iron.

GRAPE SEED

OPC

INGREDIENTS:

Water, grape seed extract, acidifier: citric acid, preservative: Potassium sorbate

Average nutrient content per daily serving (1 ml)

Nutrients	Reference amount per daily serving (1 ml)	%NRV**
Grape seed extract	62 mg	**
of which oligomers	31 mg	**
Proanthocyanidins		

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

** without NRV

i Made from premium quality grapes, our high quality extract is the perfect supplement for your health. With an optimal dose of 31mg oligomeric proanthocyanidins (OPC) per daily dose, our extract provides valuable antioxidants (analysed using HPLC). The carrier biogenic osmosis water ensures that our product is particularly pure and effective. GMO-free, alcohol-free and vegan - our grape seed extract offers maximum tolerability and sustainability to protect your body and the environment.

VITAMIN C+D

GEL

INGREDIENTS:

Water, vitamin C (sodium L-ascorbate & L-ascorbic acid), sunflower lecithin, glycerine, steviol glycosides, cholecalciferol (vitamin D3), xanthan gum, potassium sorbate, vitamin E (DL-alpha-tocopherol, antioxidant), natural lemon flavour.

Average nutrient content per daily serving (1 ml)

Nutrients	Reference amount per daily serving (1 ml)	%NRV**
Vitamin C	7000 mg	7250
Vitamin D3	40 µg	800

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

i

The combination of vitamin C and vitamin D in food supplements offers a synergistic effect and can support the immune system and promote bone and tooth health. Vitamin C and D contribute to the reduction of tiredness and fatigue. Vitamin D contributes to normal blood calcium levels.

BEAUTY

INNER BEAUTY

SPRAY

FLAVOUR: GUAVE-HONEY

INGREDIENTS:

Water, rose extract, flavouring, sodium selenite, zinc gluconate, acidifier: citric acid, preservative: potassium sorbate, tocopheryl acetate, sweetener: sucralose

Average nutrient content per daily serving (1 ml)

Nutrients	Reference amount per daily serving (1 ml)	%NRV**
Sodium selenite	55 µg	100
Zinc	1,5 mg	100
Vitamin A	120 µg	15
Rose Extrakt	100 mg	**

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

** without NRV

i

As a component of many enzymes, zinc contributes to normal acid-base metabolism and normal carbohydrate metabolism. Zinc also contributes to normal fertility and normal reproduction. Zinc contributes to the maintenance of normal bones, hair, nails and skin.

SKINCARE DROPS

FLAVOUR: CUCUMBER-RASPBERRY

INGREDIENTS:

Water, natural flavours, hyaluronic acid, sweetener: sucralose, manganese gluconate, biotin

Average nutrient content per daily serving (1 ml)

Nutrients	Reference amount per daily serving (1 ml)	%NRV**
Biotin	7,5 µg	15
Manganese	0,3 mg	15
Hyaluronic acid	100 mg	**

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

** without NRV

Biotin contributes to the normal function of skin, hair and mucous membranes.

ASTAXANTHIN

INGREDIENTS:

Water, astaxanthin (modified starch, oleoresin from Haematococcus pluvialis, natural mixed tocopherol), alpha-tocopheryl acetate, acidifier: citric acid; preservative: potassium sorbate

Average nutrient content per daily serving (2 ml)

Nutrients	Reference amount per daily serving (2 ml)	%NRV**
Vitamin E	12 mg	100
Astaxanthin	12 mg	**

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

** without NRV

Astaxanthin drops contain one of the most powerful antioxidants in the world. The carotenoid astaxanthin is produced by green algae (*Haematococcus pluvialis*) and is responsible for the red colouring of crustaceans and salmon, for example. Astaxanthin has an antioxidant and anti-inflammatory effect. Vitamin E helps to protect cells from oxidative stress.

CHLOROPHYLLIN

INGREDIENTS:

Water, chlorophyllin, acidifier: citric acid, preservative: Potassium sorbate

Average nutrient content per daily serving (1 ml)

Nutrients	Reference amount per daily serving (1 ml)	%NRV**
Biotin	20 mg	**
Hyaluronic acid	100 mg	**

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

**without NRV

i Chlorophyll is also called the „green blood“ because it differs from haemoglobin - the red blood pigment in our body - in only one atom. Chlorophyll is responsible for the green colour of plants and gives them the ability to photosynthesise. The greener the colour, the more chlorophyll a plant has.

ZINC & ELDERBERRY

INGREDIENTS:

Steviol glycosides, water, zinc acetate, elderberry extract (Sambucus nigra), vitamin 85 (D-pantothenate calcium), natural menthol flavouring, natural spearmint flavouring, citric acid, potassium sorbate.

Average nutrient content per daily serving (1 ml)

Nutrients	Reference amount per daily serving (1 ml)	%NRV**
Zinc	25 mg	250
Vitamin B5	10,8 mg	180
Elderberry extract	200 mg	**

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

**without NRV

i As a component of many enzymes, zinc contributes to normal acid-base metabolism and normal carbohydrate metabolism. Elderberry is known for its antioxidant properties and has long been recognised for its immune-boosting benefits.

COLLAGEN

GEL

INGREDIENTS:

Collagen, water, steviol glucosides, vitamin C (L-ascorbic acid), hyaluronic acid, glycerine, xanthan gum, potassium sorbate, passion fruit flavouring

Average nutrient content per daily serving (1 ml)

Nutrients	Reference amount per daily serving (1 ml)	%NRV**
Biotin	3000 µg	6000
Vitamin C	150 mg	187,5
Hyaluronic acid	120 mg	**
Collagen	2500 mg	**

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

**without NRV

i

Collagen is the main ingredient that makes skin beautiful and healthy, as it makes up to 80% of subcutaneous tissue. Our collagen gel with verisol collagen is designed to be quickly absorbed by the body, so you get the full benefits of collagen without having to wait for it to be metabolised. In addition to the active collagen, Beauty Collagen also contains hyaluronic acid, biotin and vitamin C. Hyaluronic acid improves the elasticity of the skin and reduces dryness. Biotin in turn promotes the health of hair and nails, and vitamin C improves collagen metabolism.

BIOTIN

LIPOSOMAL

INGREDIENTS:

Birch sap, vegetable glycerine, steviol glycosides, natural menthol flavouring, vitamin H (biotin), potassium sorbate, citric acid, sodium citrate, natural lemon flavouring

Average nutrient content per daily serving (1 ml)

Nutrients	Reference amount per daily serving (1 ml)	%NRV**

RELAX

GOOD NIGHT

SPRAY

FLAVOUR: LAVENDER

INGREDIENTS:

Carrier: water; flavouring; melatonin (0.5 %); sweetener: E955

Average nutrient content per daily serving (0,7 ml)

Nutrients	Reference amount per daily serving (0,7 ml)	%NRV**
Melatonin	0,5 mg	**

*Nutrient Reference Values according to Regulation (EU) No. 1169/2011

**without NRV

i

Restful sleep provides the prerequisites for a good start to the day. Stressful phases of life, shift and night work or long flights across several time zones can lead to sleep problems. Melatonin helps to shorten the time it takes to fall asleep and alleviate the subjective feeling of jet lag. Thanks to the spray head, the spray is easy to use.

SLEEP WELL

REISHI
